

# AIRCRAFT SEAT LOCKING & LATCH COMPONENTS

## Summary Product Catalog

Core locking latch, lock pin, lock body and lock tongue references extracted from the supplied aircraft hardware product list for quick customer review.

Part numbers are shown as references for manufacturing review. Final feasibility, materials, dimensions, surface treatment and process route should be confirmed based on drawings, samples or customer requirements.

# Main Locking and Latch Component List

Locking latches, lock pins and latch references

**Aircraft Seat Locking Latch**

**Part No. Reference: SAM222-18**

**Aircraft Seat Locking Latch**

**Part No. Reference: SAM300-2**

**Aircraft Seat Lock Pin**

**Part No. Reference: 1003107-001**

**Aircraft Seat Lock Pin**

**Part No. Reference: 137-00-409-09**

**Aircraft Seat Locking Latch**

**Part No. Reference: SAM271-10RD**

**Aircraft Seat Locking Latch**

**Part No. Reference: 20048-1**

# Main Locking and Latch Component List

Lock bodies, lock tongues and related locking references

**Aircraft Seat Lock Pin**

**Part No. Reference: 860636-401**

**Aircraft Seat Locking Latch**

**Part No. Reference: SAM271-7RD**

**Aircraft Seat Lock Body**

**Part No. Reference: 950341**

**Aircraft Seat Lock Body**

**Part No. Reference: 1002992-237**

**Aircraft Seat Lock Tongue**

**Part No. Reference: A23001-2-5**

**Aircraft Seat Lock Tongue**

**Part No. Reference: A20001-3-13**
